KEEPING MAREE: A BREAST CANCER JOURNEY

EL Collective Publications, United States, 2014. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.I walked out of the house that day because life held little or no meaning for me anymore. It was trying to destroy one of the best parts of who I was, and it expected me to sit down, smile, and accept it. We had learned to live with this goddamned thing for so many years, and I had had enough. I was tired of being the son of a mother who was constantly sick. I d had enough of hearing people label us the family with amazing courage and hope . I didn t want that anymore. Why couldn t we be a family without it? I fell to my knees and hammered the ground with my fist until I drew blood. Quit destroying what she loves, I pleaded. Her marriage. Her kids. We need her. We ve learned from this experience. Please, please just change this day. As a young child, Maree watched in confusion and sadness as her loving mother fought, and ultimately lost, her battle with breast cancer. This incomparable loss drew Maree and her older brother Mick close in a powerful lifelong bond, neither aware that in years to come Mick would once again be by Maree s side as she fought her own battle. At the age of thirty-one, Maree Leddin was diagnosed with breast cancer. She displayed phenomenal mental strength in refusing to give into the disease. She had lost her own mother, and she was determined that her own children would not go through the same thing. Utterly committed to beating the odds, she endured countless treatments, multiple recurrences of the cancer, and immense pain, surviving- and living life...
