Jamaican Houses: A Vanishing Legacy

By Geoffrey DeSola Pinto

Ian Randle Publishers, Jamaica, Jamaica, 2008. Paperback. Book Condition: New. Anghelen Arrington Phillips (illustrator). 3rd Revised edition. 287 x 211 mm. Language: N/A. Brand New Book. Jamaica is famous for its Georgian houses but many people are unaware of the vernacular architecture from which they evolved. Anghelen Phillips illustrates, in her distinctive and peculiar style, a wide and varied range of these buildings from all over the island. Geoffrey Pinto enhances the drawings with a brief history of these buildings, reviewing their current state and looking at the Architectural Heritage Movement in Jamaica in recent years. This third edition is an enduring contribution to the preservation of Jamaica's architectural heritage and to the foresight to those who conceived and executed it.

Reviews

Extremely helpful for all class of people. We have read through and that i am confident that i am going to going to read through again again down the road. Its been designed in an exceedingly basic way in fact it is simply following i finished reading this pdf in which in fact altered me, alter the way i think.

-- **Noel Stanton**

Absolutely one of the best pdf We have ever read. I really could comprehended every little thing using this written e book. I am easily could get a satisfaction of reading a written publication.
