Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Abdul Bosun is a Nigerian born poet born, who, as a freelance poet has had work published in many Nigerian newspapers as well as in a collection of poems under the title Riddles of Sage. His play Gong of Nemesis is set in rural Nigeria and is a story of village life and the influence of ancient traditions. It can be seen as a metaphor for many of the corrupt practices of life in present day Africa and the world as a whole. Gong of Nemesis is an entertaining and often humorous play with a strong moral undertone that will enlighten and delight the reader, especially those who recognise the characters from their own life experiences.
