Spanish Language Study Cards

By Alfredo Cox

Barron's Educational Series Inc., U.S., United States, 2008.
 Cards. Book Condition: New. 118 x 116 mm. Language: English, Spanish. Brand New Book. Spanish language students interested in checking their proficiency level or preparing for tests will value these flash cards, which are designed to question them on rules of Spanish usage. The cards cover parts of speech, rules of punctuation, specialized vocabulary, idiomatic expressions, and much more. Most cards provide a grammatical rule or explanation, then test readers by asking them to solve related exercises. Finally, the student should be able to provide answers to each flash card 1/2s question. The answers are printed on the reverse side. Using the cards in this way, language students get comprehensive coverage of virtually every aspect of written and spoken Spanish.

Reviews

Basically no terms to clarify. It is actually written in basic terms rather than confusing. I found out this ebook from my dad and I suggested this book to find out.

-- **Elinore Vandervort**

If you need to add benefit, a must buy book. I could possibly comprehend every little thing out of this composed e pdf. I am quickly could get a enjoyment of looking at a composed book.
