Createspace, United States, 2014. Paperback. Book Condition: New. Expanded. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Newly expanded, this useful e-book now contains over 500 mnemonics to help you more easily learn Spanish verbs. That s an additional 400 Spanish verbs compared to the first edition for the same price! For each Spanish verb, I give the definition in English, a mnemonic of what the word reminds me of, and then use the mnemonic in a sentence. You probably are already aware that mnemonics can cut down study time considerably and allow you to remember something for years to come even if you don t use it. But you also know that coming up with good mnemonics is time-consuming, which defeats the purpose of using them in the first place. That s where I come in. I do the tedious work for you and all you have to do is use the time-saving mnemonic.
