Brand New Book ***** Print on Demand *****.Excerpt from Christian Science: The Gospel of the Kingdom The Founder of the Christian religion referred to his message as the gospel of the kingdom and of this kingdom of heaven or kingdom of God he said much in parables but several things explicitly. He said it is at hand (that is to say, it is present and within reach); he said it is within you (which is to say, it is a state of consciousness); and he said it comes upon you as devils or evils are cast out. Heaven, therefore, is not the sequence of death; it is an active state of goodness. It is gained by overcoming evil; not by dying, but by right living. The kingdom of heaven is the consciousness of good. It is the reign of Life, Truth, and Love in man. We are in heaven here and now to the extent that we realize the actual qualities of true being. Basic Questions How would you like to be sure that in the reality of your being you image and reflect divine Life and Truth and Love, while the only devil, evil, or hell is the illusion in human consciousness?
