Rodaian Press, United States, 2009. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****. Frosty the Snowbear is the second children s book by author, Kim Armstrong. Kim is ten years old and loves to write. She donates 15 of all of her profits to animal shelters and believes in world peace. Frosty is a polar bear who tells his life story so that others can understand the lives that they lead in the North Pole. He is very cute and cuddly and has a few friends you might find interesting, including a bottlenose dolphin named Petunia. This is an adorable story written in a way that encourages good family values and empathy with other species, especially at a time when polar bears are threatened by decreasing snows and ice and abrupt weather changes in their ecosystem. This story is not very long but takes you knee-deep into polar bear lore and legends, including some made-up stuff that just keeps you laughing through the entire book, including emails between friends in the arctic region. It is a rockn good story and fun for all ages. Published by Fullbright Publishers, Laguna Beach, California. 6.14 x 9.21, Black and White, Softcover, 48 pages. Grades First through Eighth. Easy reading with some graphics and pictures.
