 Paperback. Book Condition: New. 201 x 130 mm. Language: English . Brand New Book. A bizarre road accident propels Celcius Daly into an investigation that could reveal the truth about his mother s death thirty years ago Father Aloysius Walsh spent the last years of his life painstakingly collecting evidence of a yearlong killing spree, unparalleled savagery that blighted Ireland s borderlands at the end of the 1970s. Pinned to his bedroom wall, a macabre map charts the grim territory of death victims, weapons, wounds, dates and somehow, amid the forest of pins and notes, he had discerned a pattern. . So why did Father Walsh deliberately drive through a cordon of policemen and off the road to his death? Why, when Inspector Celcius Daly arrives at the scene, does he find Special Branch already there? And why is Daly s mother s name on the priest s map? The past poisons the present, and Daly s life will never be the same again. Silence is the 3rd book in the Inspector Celcius Daly Mysteries, but you may enjoy reading the series in any order.
