Kennedy-Institut für Nordamerikastudien), course: The Literature of the Sixties, 11 entries in the bibliography, language: English, abstract: This paper will go into certain aspects of feminist criticisms of Ursula K. Le Guin's 1969 science fiction novel *The Left Hand of Darkness*, discuss their justification question, and further examine the consistency of Le Guin's description of the genderless society of Gethen. *The Left Hand of Darkness* tells the story of Genly Ai, an envoy from Earth (Terra), sent by the Ekumen, a union of inhabited planets, to planet Gethen in order to convince the planet's inhabitants to join an interstellar alliance. Throughout the novel Le Guin explores Genly Ai's difficulties to understand and become part of society on Gethen, which are mainly due to the fact that all the inhabitants are ambisexual; they only take on a biological gender once a month, in a short period of sexual activity. Each individual has the capacity to become either a man or a woman, and their sex can differ from one month to the other. *The Left Hand of Darkness* has played an essential role in the history of science fiction. Since Science Fiction was a largely male dominated field of literature in the 1960s, both in its authors and its protagonists, Le Guin's novel was pathbreaking in many ways. It has attracted a lot of attention for its unusual focus on social science and human relationships as opposed to natural science and technology and for its attempt to show...
