His businesses are thriving, he has all the excitement, money and beautiful women any man could want. He dines at the best restaurants and stays at the most luxurious hotels as he makes his way around the globe. So why does he suddenly find himself so restless? Megan Sullivan is a single mom with a rather ordinary life. She is comfortable with things just the way they are. She has a six-year-old son, Elliott, a cozy house in Boulder, Colorado, and a photography business to put food on the table. Megan is on her own and she intends to keep it that way. But when Megan is convinced by her best friend to take a trip to Paris, she's thrust into the arms of Luc Chevalier, the sexiest man to ever set foot on the Eiffel Tower. They agree to one night together and no more. In those few short hours he manages to draw out the passionate woman that Megan has carefully hidden away for years. Once she has a taste of what she's been missing, she finds it almost impossible to go back to her life as it was. Will two people who don't believe in happily-ever-after manage to put aside their doubts and find their forever?
