Publishamerica, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.These poems arose when I was pregnant and turned out to be not so obvious to all of us. The emotions I felt during treatment in the hospital that came up with being pregnant, I tried to capture it in words. With my collection, I want to show people what a woman can do, if they suddenly find out that they are pregnant. The beautiful images are intuitively painted with watercolors, which further interpret the emotions of the poem. Anneke van Balen de Klerk (1974) found an outlet in juggling words and ensuring that emotions were expressed in a penetrating way. After these poems had been kept on the computer for years, it was time to do more with these gems. Now, the author has her first collection of poetry, accompanied by beautiful watercolor illustrations.
