RISK ASSESSMENT IN CHEMICAL PROCESS INDUSTRIES: ADVANCED TECHNIQUES

Discovery Publishing House Pvt. Ltd., 1998. Hardcover. Book Condition: New. Searchshakhapatnam refinery disaster of September 1997 was the worst industrial accident of the 1990s. The Bhopal gas tragedy of 1984 was the worst-ever such accident in the History of process industries. India, thus has the dubious distinction of setting two World records in the realm of industrial accidents within a span of 13 years. Indeed, during the last two decades India has witnessed thousands of industrial accidents involving fires, explosions,...

Reviews

An extremely wonderful pdf with lucid and perfect explanations. I could possibly comprehend every little thing out of this created pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Janie Wilkinson**

I actually began looking over this pdf. it was actually written really perfectly and valuable. You will not really feel monotony at any moment of your respective time (that's what catalogs are for about if you check with me).

-- **Marquis Gusikowski**
