STAR WARS: DARTH BANE - PATH OF DESTRUCTION

Cornerstone. Paperback. Book Condition: new. BRAND NEW, Star Wars: Darth Bane - Path of Destruction, Drew Karpysyn, Thousands of years before the rise of Darth Sidious and Darth Vader, the Old Republic was rife with the evil Sith, who were a constant thorn in the side of the Jedi. But greed and hunger for power were eating away at the Sith Order, destroying it from within. In the midst of this rose a new Sith, Darth Bane, who recognized that the Sith Order would fall if nothing was done. Thus it was he who, learning to cultivate patience and cunning, hid from the strife until it was over, and then rose to become the most powerful Sith Lord ever. This is the story of the transformation of Des, a young miner, into the legendary Sith Lord Darth Bane. Des - like many of the disenfranchised who live on the Outer Rim - is disillusioned with the stagnancy of the Old Republic. When the Sith unite to bring the Republic down, Des is one of many to join their cause. His heroism and skill in battle - along with his remarkable connection to the Force - draw the notice of the Sith Masters, and Des eventually finds himself studying at the Sith Academy on Korriban. He takes the name of Bane and, amidst the deception and back-stabbing of the other students, he learns to unlock his latent dark-side talents. As his power grows, Bane realizes the Sith have lost their way. Under the leadership of Lord Kaan and his Brotherhood of Darkness, the Sith have turned their back on the true nature of the dark side. Through manipulation, cunning and strength, Bane destroys Kaan's Brotherhood and wipes out all the other Sith so he can found a new Order based on...
