Love is there a difference between the state and the feeling, the emotion, as we understand them THE TRIPLE GODDESS is a novel about In Love. About an obsession with the idea of one girl, one woman. It is three stories the first, historical fiction; the second, Arcadian fantasy; the third, science fiction; all presented in a unifying context of traditional fairy tale. It is a novel in three parts: history rediscovered in the present; a battle against the worst kind of evil in an English village; a terrifying vision of the future as the end of the world approaches. . . each starring three women who are the same person: the Triple Goddess of classical mythology made flesh. three mysterious drop-dead gorgeous women whose original was lost to reality, like Orpheus's Eurydice, or Dante's Beatrice. . . but not lost to the imagination that keeps her alive upon the page for whoever wishes to possess her. the sort of girl whom one thinks about, dreams about, reads about as Don Quixote did his Dulcinea every day, every night, until the day one dies: a mind-stalking reality in thought. Arising from a childhood obsession with the Tower of London, the former royal palace that she dreams of occupying and defending against a...
