Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is the true story of events that have occurred in my life. The best way to describe the contents of this book is very dramatic. These experiences have influenced every part of me. My existence as a person, a mother, a sister and a woman have all been changed by the circumstances of my life. I was determined that the barriers that I have faced with every obstacle I faced was not going to keep me down. I would face them and not be imprisoned any longer. Today, I wish I could undo my blinded and some inappropriate judgements in decisions I have made along the way, but it was a great dilemma, for I was in love with my whole heart.
