Well, now you re an up-and-coming adult, so it s time to get a new financial plan all your own. Cash, Cars and College will give you that plan. This short book will provide a step-by-step system for making, saving, and spending money - one that will have you started down the road to real riches before you finish college. These simple steps have been used successfully by hundreds of my young adult students (ages 12 to 20) to create cash and win wealth. So hop on the gravy train for yourself, and enjoy the ride!.
