This boxed set includes all three volumes. Follow Cora, one of the people on the surface world who has developed powers from the sickness that swept the nation, as she overcomes obstacles and tries to understand the enigmatic Utopia. This collection includes: The Mutants: Vol. 1 Once, long ago, the world was a happier place. It was beautiful and rich with life. There was music and laughter, pictures that could move, objects that could sing. When a life was born, people celebrated and hosted parties. When a life was taken, people were overcome with grief. There was light everywhere, and hope could always be found in the darkest of times. That world was called Earth. Earth is no more. This is the dead Earth, a shell of what once was. Here there is darkness and death, sickness and turmoil. Music is fragments of memories contained within the oldest people. Laughter is for fools. Life is misfortune, death is celebrated. There is no hope. Over population and sickness have led...
