*A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

Kensington Publishing. Paperback. Book Condition: new. BRAND NEW, Desert Gold, Zane Grey, A border town like Casita is no place for a drifter - especially a rich man's son looking for adventure. From the moment Dick Gale steps into the stinking, sun-baked hellhole of gambling and corruption, revolution, and revenge, he gets more than he bargained for. His old friend Thorne is in love with a beautiful Senorita who's been targeted by Mexican rebel Rojas. A bold, sneering devil of a man, feared, envied, and idolised by his people, Rojas spends gold like he sills blood - and collects women like trinkets. Gale knows that defying such a man could be suicide. Defeating him is his only chance to survive - in a brutal one-on-one battle on the parched desert cliffs.
