There is a land of the living and a land of the dead, and the bridge is love. --Thornton Wilder Anyone who uses a computer is vulnerable to cyber-attack through a cell phone, Facebook page, e-mail account, or even files that might be accessed by a remote system while connected to the Internet. But who thinks it will happen to them Paige Campbell had never considered that she had anything to worry about until she got the first crank call. By the time her Facebook page is hacked and one of her files changed so that she is suspended from college and accused of plagiarism, she's beginning to believe that someone--or something--is out to get her. Although he can't see how it's the spirit of someone spurned by Jenny Lind (the Swedish Nightingale of the P. T. Barnum era) who insists Paige is actually Jenny and who has come back for her to remove the curse, he determines to help her. They run headlong...
