This dynamic four-session video-based curriculum uses the story of Honi the circle maker, who prayer-walked his way around a devastating drought in first-century BC Israel until the rains came, to help you and your entire church begin to identify the dreams and future miracles to draw circles around to find your answers from God. God is still looking for circle makers whose bold prayers defy human convention and invoke divine intervention. Mark Batterson not only teaches about big dreams and bold prayers, he lives it. With stories of Honi, as well as reflections on modern day miracles as a result of prayer, The Circle Maker video (DVD sold separately) and participant's guide will help you identify, discuss and put into practice the dreams and future miracles you need to draw circles around. Session Titles: Becoming a Circle Maker Little People, Big Risks, and Huge Circles Praying Hard and Praying Through Praying is Like Planting.
