Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It was a lovely summer morning, glorious with sunlight, sweet with the fragrance of flowers and the songs of birds. The view from the bay-window of the library of Crag Cottage, the residence of Mr. George Leland, architect and artist, was very fine, embracing, as it did, some of the most magnificent scenery on the banks of the Hudson. The house stood very high, and from that window one might look north and south over wooded mountain, hill and valley, or east upon the majestic river and its farther shore. The nearer view was of well-kept, though not extensive, grounds; a flower-garden and lawn with a winding carriage-way leading up the hill by a gradual ascent. It was a pleasant place to sit even on a sunny summer morning, for a tall tree partially shaded the window without greatly obstructing the view, and it was there the master of the house was usually to be found, at this time of day, with Evelyn, his only child, close at his side.
