From USF World: Clubbing in Australia is not very different from clubbing anywhere else in the world. Admittedly, Australias DJs tend to play music that was popular in the States four months earlier and play it often. Its advice like this that USF alumnus Felix Churchill gives in his recently published book, Study Abroad Australia: A Roaming Scholars Guide. Churchill spent 6 months in Australia from July to December 2008. (Available on Amazon. com) Having experienced the common study abroad transitions from culture shock to making life-long friends he notes, at first I had a hard time getting my head around how a place so similar in appearance to America could be so different. But, after a few weeks I wore the place like a glove and enjoyed it immensely. Its not uncommon to experience culture shock; many USF students havent traveled abroad before are surprised at the differences in everything from meals to basic customer service. Noticing a lack of published resources and guides for students traveling abroad, Churchill set to out to tell his fellow study abroad comrades everything they need to know, from advice on aborigines to knowledge on the symbols of active gangs. The book leaves nothing out, including an appendix full of Aussie terminology like meat wagon meaning an ambulance and no worries which covers just about everything in Australia. As he mentions in his book, No worries is very important. Doesnt matter if you ask an Aussie friend for a small favor or the world is coming to an end. A true Aussie will always say no worries. Filled with common sense advice on dating, homesickness, cell phones, dangerous animals to avoid, the Australian university...
